OFFICE OF THE DIRECTOR

SUBJECT : Assessment of Recent Action in
the Que Son Valley

2. Because of its informal genesis and original purpose, the attached assessment was not coordinated with MACV or any other element of the U.S. Mission. Our Station Chief relayed it to us in an internal Agency cable because he thought its insights useful and informative. We plan no formal dissemination, but I thought you also might find this assessment interesting and hence am forwarding the attached personal copy for your eyes only.
